Outcomes:

Increased understanding, confidence & competence in Maths and English, improving:

- Understanding of different writing styles
- Reading ability
- Ability to solve problems
- Understanding of Mathematical concepts
- Confidence in reasoning

Increase children's enjoyment, participation and skills in PE & sport. Promote a healthy lifestyle

Increase children's understanding of the personal skills and values needed to achieve their goals, improving:

- Communication skills
- Ability to work together
- Self confidence
- Behaviour & attendance at school
- Motivation
- Resilience

Enhance the knowledge, skills and confidence of teachers to improve delivery of PE and School Sport.

"We've used the Community Trust for over two years and they really are part of our school now - they provide the same coaches who have built an excellent rapport with the children and provide superb, well thought out sessions which the children really enjoy."

Jonathan Hill - Teacher & PE Coordinator - Benjamin Hargreaves Primary School

More Than Just Football

Combining the expertise of Accrington Stanley Community Trust with the brand of Accrington Stanley FC and the power of football to bring the curriculum to life.

League
Resources**

'Accrington Stanley have provided an excellent standard of coaching. They are friendly, reliable and professional and we will be using them again next year. The children have learned a lot about teamwork as well as a range of skills. The children get very excited when they know that they are coming into school'.

Lynn Elder Head Teacher at St Josephs RC primary School, Bacup
